

Founding Churches of the Presbyterian Church in America

“The following directory of the Churches of the National Presbyterian Church [the PCA’s original name] reflects all reports received through March 1, 1974. It includes some Churches that do not appear in the Statistical Reports, which are based on the situation existing on December 31, 1973.”

Of the original 259 founding churches, 165 remain extant nearly fifty years later in the PCA (in 2022).
